

Zamówienie

```
graph TD; A[Zamówienie] --> B[Produkt_1]; A --> C[Produkt_2];
```

The diagram illustrates a hierarchical structure. At the top is a light green rounded rectangle labeled 'Zamówienie'. Two black lines originate from the bottom center of this rectangle and branch out to connect to the top center of two light blue rectangles below. The left rectangle is labeled 'Produkt_1' and the right rectangle is labeled 'Produkt_2'.

Produkt_1
